

This word is a compilation given by different European Prophets who recently gathered at a summit in Amsterdam. This event was hosted by Drs. Sharon Stone and Arleen Westerhof.

There are variables that can affect the timing and/or coming to pass of these words:

- All prophecy not contained in Scripture is conditional.
- A prophecy may take longer than one calendar year to come to pass. Some [will] take many years to fulfill.
- It is possible that prophetic warnings will cause either the person or the nation to repent and so turn away the judgment prophesied. Biblically, this happened when Jonah prophesied to Nineveh and the city repented, causing God to relent.

2019 European Prophetic Consensus

New means new!

The voice of the Lord is saying, "See! Behold I am doing something new!" New however this time "new" really does mean new. It's not a better version of the old or of what already exists. God is breaking things off, even things that were of Him in a past season, to create room for His "new." He's doing this because what worked well in the past will not serve us well for where God wants to take us in the future. The things He's breaking off include structures, governments, long-standing political alliances. Out of the apparent desolation of the crumbling and tearing down of made-made structures new things will be born.

This generation won't just defend territory it already holds. It will go out and take new territories for the kingdom of God. We're going from revelation to revival to reformation (not necessarily in that order). We'll go into this season very quickly and we'll have to be prepared to act on God's revelation for our nations. Speak forth His will! Call it forth! Do what He shows you to do. As we do, we'll move from revival into the fruit of reform. It's a season of RE-BIRTHING, RE-FORMING and RE-LEASING.

The Holy Spirit is releasing grace for restructuring. It's time to get structured and to get organised. New structures for running businesses, economies, churches and governmental systems will be released.

An increasing weight of glory

There will be an increasing weight of glory as God takes the church through a season of radical purification and (re)establishing the truth. This will lead to a reverential fear of the Lord coming back to the church as God reveals Himself as HOLY.

As the level of glory rises and there will be powerful visitations of God on the earth accompanied by a new release of signs, wonders and miracles that will affect entire cities. God is raising up a new breed of Elijah prophets that will stand before kings and rulers of nations, declaring "At my word this will happen so that you will know that there is a God in heaven who rules over the affairs of men!" It's a time for extreme manifestations of the Kingdom and the power of God on the earth!

Release of the evangelists

The fire of Revival with the fire of the Holy Spirit is being combined with the fire of evangelism. This combination will cause a new harvester anointing to come upon us like we have not seen before. We hear the Holy Spirit saying, "It's time for the harvest and for the release of the harvesters in Europe!" Thousands upon thousands will come into the kingdom of God in Europe as the harvesters are raised up and released into the harvest fields.

The rise of strategic intercession to counter increased manifestations of the occult, anti-Semitism and a claim on the millennial generation

There will be an increase in the collisions between light and darkness as manifestations of the occult intensify in our nations. The persecution of Christians will increase across the continent as well as anti-Semitism. There is also a battle raging for the youth and the millennials across Europe. The enemy has released a spirit of hopelessness and despair that are driving many to contemplate suicide. The Spirit of the Lord is calling us to pray without ceasing. It is urgent that intercession, and especially strategic level prophetic intercession, be done to counter this Kingdom of God onslaught. It's time to contend in prayer until our nations are propelled into their destinies!

Individual European nations

Albania

There is a roar that is about to take place. It will be initiated by the roar of the Lion of the Tribe of Judah. His roar will awaken the sleeping lions of the Tribe of Judah in the land. This roar will cause sudden shifts in spiritual the atmosphere. These sudden shifts will have a domino effect in the surrounding nations and will lead to a shaking throughout all of Europe.

UK

Anointing oil instead of the yoke.

The Brexit will remove a yoke from the UK. They will in turn receive a new anointing for destiny. Isa. 10:27 "The burden will be taken away from your shoulder, the yoke from your neck and the yoke will be destroyed because of the anointing oil."

The current political instability and the ensuring financial challenges will create a new humility in the church that will drive them to their knees.

Explosion of creativity

Young Christian artists will burst into areas of influence in the arts and media with songs, spoken word, music, film, art, etc. These will bring hope to a despairing generation of teenagers and millennials in language that they can understand.

Justice in the tax system.

Those who haven't paid will pay quickly in implementing the new upgrades that will come.

Economic Reform

God is releasing new creativity and insights for a new banking template. This will be accompanied by a new burst of entrepreneurship in the UK. Old currencies will be printed and loans will be defaulted on. Wealth will come into the nation as new trade agreements are made and new trading routes are opened.

Netherlands

Now is the time! The Lord is in a hurry, especially for The Netherlands. It's God's time for The Netherlands and for Europe. There are doors of opportunity open now in heaven that have not been open before in our lifetimes. Now is the time to step out onto the water and to step out in faith to do those things that seemed impossible before. There will be more emphasis on worship and the winds of refreshing accompanied by the fire of the Holy Spirit will go from one

place to the next. Revival fires are turning into harvest fires that will bring awakening and reformation to the nation and to the nations.

Spain

Spain is going through heavy realignments and adjustments. Old structures are being changed and we believe that the Lord is preparing us for a wave of revival that will sweep the Peninsula

Europe: Mediterranean countries carry a fire and passion that can melt the icy structures of humanism and logic. In the past this fiery passion burned ruled by religiosity. Now however it will be fueled by the love for the Lord.

Greece

The Lord is passing the mantel of authority for leadership to a new generation. From this will come a new breed of politician that He has been preparing during the last decade. They will shape Greece to God's own kingdom plans and purposes. 2019 will see an era of Kingdom Reformation begin for Greece.

Slovenia

Arise and Shine Slovenia for your light has come! (Isa. 61) God is raising the water level in Slovenia and the knowledge of the Lord will spread throughout the nation. An increased hunger for the gifts of the Holy Spirit will lift the church from having a survival mentality to the level of power and knowing the authority that she has been entrusted with. God is uniting the church in Slovenia and is raising up all of the members of the five-fold ministry. Eph. 4:11-14. It's harvest time in Slovenia and the first ones will come from the families. Sons and daughters will be returning home. Isa. 60:4 (Person from Slovenia).

Hungary

A change in the spiritual atmosphere in Hungary and in all of Europe. Heaven and earth will be connected in more and more places leading to a spiritual climate change. Isa. 25:7. And He will destroy in this mountain the face of the covering cast over all people, and the veil that is spread over all nations." A covering will be lifted off of the nations and in its place, the glory of the Spirit of God will appear. This will result in big crusade events next year.

Finland

Unity: Still has a calling to create an atmosphere of reconciliation and to build bridges of unity between nations. This has been facilitated by the fivefold ministry working increasingly together in the nation.

Germany

God is putting new people in place and is changing structures to execute God's will.

Munich Jesus is positioned to sing over you with joy.

France

The enemy has marked France for destruction because of its spiritual heritage. It is necessary for intercessors to rise up and build a spiritual wall around the nation.

Begin to cooperate now with God's grace, His agenda, and His plan for you and God Himself will fight with you and for you.

Switzerland

As Switzerland has the highest proportion of foreign residents of any major state in Europe. The major cities are becoming internationalized. In the natural this is negative growth for Christianity, but God calls it a Day of Pentecost when the nations were gathered together, and the Spirit of God was poured out.

Those originally from Latin American and Africans nations will greatly contribute to outreach in Switzerland.

Austria

God is looking for those who will prayer, praise and prophecy into a virtually spiritually empty atmosphere. While 84% of Austrians believe in God (high for Europe), few have met Jesus personally. Rates of suicide, abortion and alcoholism indicate the great need for God's hope. God is working with you to bring change into your atmosphere.

Belgium

Belgium has been called The Crossroads of Western Europe. God wants to create a spiritual juncture and joining place, for the will of heaven to be manifested on earth.
